

Unit Train Diversions

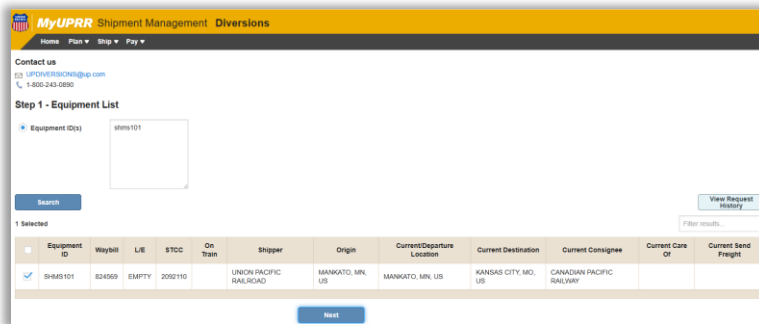

1. Select Your Train

Open any Unit Train application page and click the train id to open the action menu.

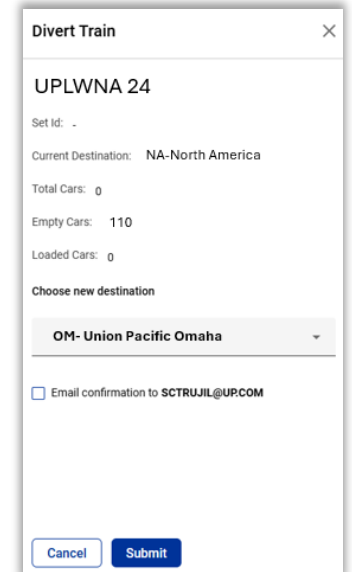

3. Complete Your Request

You'll be directed to the Diversions application to review and submit your request.

2. Start a Diversion Request

Choose **Divert Train** and select the new destination from the available locations.

4. Track Progress in Real Time

Monitor the status of your diversion directly from Unit Train lineup views, giving you visibility throughout the process.
