

## Union Pacific Lives Out Mission of Service with \$5.3 Million in Local Community Grants

### For Immediate Release

**OMAHA, Neb., Monday, Oct. 21, 2019** – Union Pacific's Community Ties Giving Program awarded over \$5.3 million in local grants to roughly 600 nonprofit organizations across the railroad's 23-state system. These grants primarily provide funding in Union Pacific's priority cause areas: safety, workforce development and community spaces, while a smaller portion is allocated to assist communities with local needs.

"We believe having a safe place to live, a family-supporting career and access to vibrant spaces are critical for communities to thrive," said Scott Moore, Union Pacific Foundation president. "By investing in high-quality nonprofits and programs in these cause areas, where our employees live and work, we achieve a step toward our mission of service while helping communities grow and prosper."

Local grants provide funding ranging from \$2,500 to \$25,000 to local organizations across Union Pacific's system. Recipients are selected through an open, competitive application process. The next local grant application period will run April through May 2020.
