Rail Safety Pop Quiz (:90)

Review the three safety rules around trains and train tracks. Test your knowledge with Conductor Connie's pop quiz.

Three Things You Can Do (3:00)

Learn the three things you can do to stay safe around trains and train tracks. Trains are fast and wide, and you need to be alert at all times when you are around the tracks.

How to Use This Resource:

- 1) Preview the videos you would like to share with your students.
- 2) Before watching, ask your students what they know about railroad safety to help activate prior knowledge (See discussion questions for educators on page 3).
- 3) Watch the videos together.
- 4) Lead a discussion on rail safety, using the discussion questions as a starting point.
- 5) Reinforce the three rail safety tips by completing the activity pages. Enjoy coloring, word games, and acting out how to stay safe around the tracks. The red activity pages are less challenging, while the blue are more challenging. Select the activities that fit your students' interests and abilities best.

DISCUSSION QUESTIONS

EDUCATORS

Before watching, consider the following questions to activate prior knowledge:

- 1) Have you seen a train before? Have you been on a train before?
- 2) Do you have train tracks in your neighborhood? Where are they located?

After watching, discuss the following:

- 1) What did you learn after watching this video?
- 2) Where is a safe place to cross the tracks?
- 3) If you see a train coming, what should you do?
- 4) Why is it important to put your electronic devices away?
- 5) What can you do to teach your friends and family about rail safety?

PARENTS & CAREGIVERS

Before watching, consider the following:

- 1) Together with your child, identify the train tracks in your community.
- 2) Talk to your child about the tracks you cross most often.

After watching, discuss the following:

- 1) What did you learn about rail safety?
- 2) Why is it important to put our electronic devices away?
- 3) What can we do while we wait for a train to pass?
- 4) Why is it important to obey lights, gates, and signs?

CONDUCTOR CONNIE

MEMORY GAME

Directions: Cut out the cards below. Lay out all the cards face down. With a friend, take turns flipping over two cards at a time. Try to match the pictures on the cards. If you get a match, keep those two cards and go again. If you don't get a match, return the cards to their spot face down and it's your partner's turn. Keep playing until all the cards are gone. Whoever finds the most matches wins the game!

SAFETY SEQUENCING

Directions: Color the pictures below then cut them out. Glue the pictures in the correct order.

First, heads up

Next, electronic devices down

Then, eyes and ears open

Finally, look around
