

UNION PACIFIC CORPORATION

August 2021

Cautionary Information

This presentation and related materials contain statements about the Company's future that are not statements of historical fact, including specifically the statements regarding the Company's expectations with respect to economic conditions and demand levels, its ability to improve network performance, its results of operations, and potential impacts of the COVID-19 pandemic. These statements are, or will be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements also generally include, without limitation, information or statements regarding: projections, predictions, expectations, estimates or forecasts as to the Company's and its subsidiaries' business, financial, and operational results, and future economic performance; and management's beliefs, expectations, goals, and objectives and other similar expressions concerning matters that are not historical facts.

Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times that, or by which, such performance or results will be achieved. Forward-looking information, including expectations regarding operational and financial improvements and the Company's future performance or results are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statement. Important factors, including risk factors, could affect the Company's and its subsidiaries' future results and could cause those results or other outcomes to differ materially from those expressed or implied in the forward-looking statements. Information regarding risk factors and other cautionary information are available in the Company's Annual Report on Form 10-K for 2020, which was filed with the SEC on February 5, 2021. The Company updates information regarding risk factors if circumstances require such updates in its periodic reports on Form 10-Q and its subsequent Annual Reports on Form 10-K (or such other reports that may be filed with the SEC).

Forward-looking statements speak only as of, and are based only upon information available on, the date the statements were made. The Company assumes no obligation to update forward-looking information to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. If the Company does update one or more forward-looking statements, no inference should be drawn that the Company will make additional updates with respect thereto or with respect to other forward-looking statements. References to our website are provided for convenience and, therefore, information on or available through the website is not, and should not be deemed to be, incorporated by reference herein.

Grain

Volume Drivers & Outlook

- **Feed demand:** Global protein consumption will increase driven by a growing population and higher standards of living
- **Exports:** Great growth possibilities with China continuing to grow and buy agricultural products from the U.S.
- **UP network:** Advantages through efficient access from the Midwest to key domestic markets and export terminals

Prime Pointe Industrial Park

Hutchins, TX (12 miles south of Dallas)

- 3,000-acre site for premier rail service
- Close proximity to Interstates 45, 20, 30 and 35
- Adjacent to UP's Dallas Intermodal Terminal
- Rail-served sites for manufacturing and distribution along with refrigerated/cold storage
- Shovel ready sites increasing customers speed to market

18

Shale Related Volumes

First Half 2021	Volume (000s)	% Change (vs 1H 2020)	% of Total UP Volume
Crude	10	(63%)	0.3%
Frac Sand**	34	19%	0.8%

* Excludes pipe related to shale activity
 ** Includes Barites

- Crude oil drivers
 - Crude oil price spreads
 - Production & demand
 - Pipeline capacity
- Frac sand drivers
 - Energy prices
 - Rig counts
 - Enhanced fracing technology
 - White / brown sand mix

19

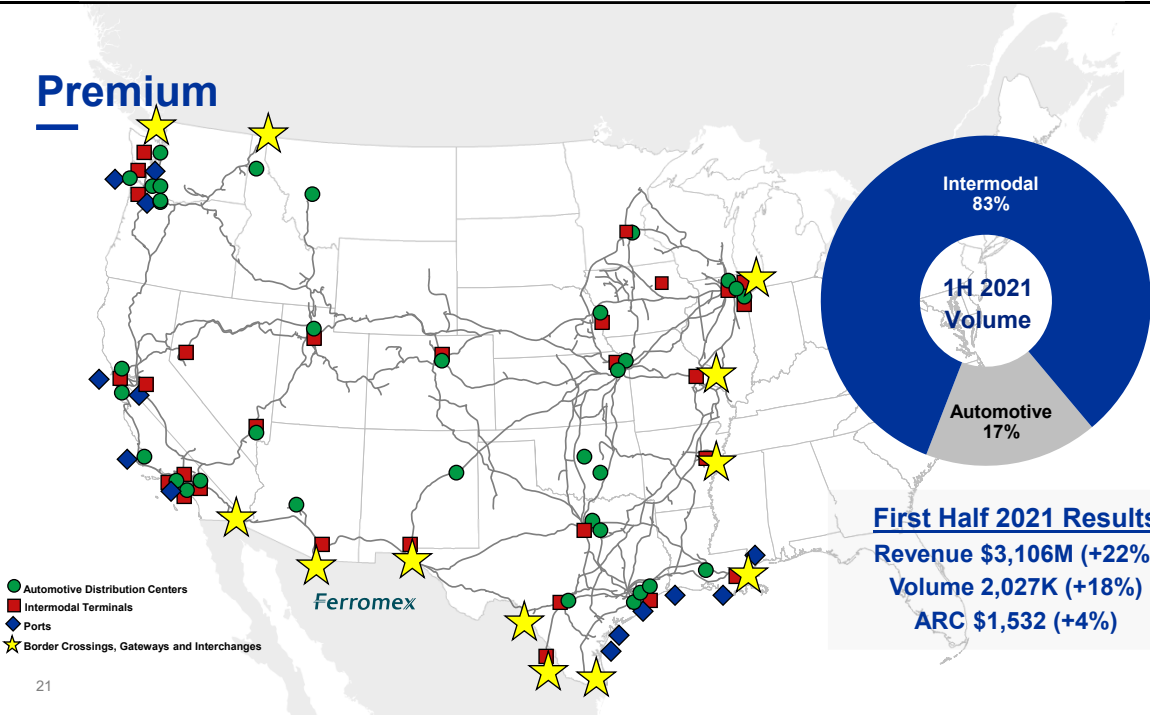

Housing Trends

- Housing market still well below historical averages
- UP lumber, stone & glass business correlates with housing starts
- Housing also drives appliances, roofing, rebar, aggregates, and cement demand
- Housing related shipments represent ~ 5 % of current UP volumes

Global IV Grain Transload

- Union Pacific grain facility operated by JCT, 50/50 joint venture between Consolidated Grain and Barge and Gavilon Grain
- Competitive Joliet area transload with on site containerization
- Converting empty containers to loaded westbound exports from Chicago
- Aligns international service product to be more competitive
- First Loads – Fourth Quarter 2021

23

Twin Cities Intermodal Terminal

Expanding Market Reach for Growth

- Opened Twin Cities Intermodal Terminal in January 2021
- Located in heart of the Twin Cities metropolitan area
- Service between Twin Cities and Los Angeles, and Twin Cities and Lathrop
- Gives customers in the Twin Cities metro efficient access to Union Pacific's intermodal network
- Initially capable of handling 20,000 annual lifts
 - Expected to expand to 100,000 annual lifts

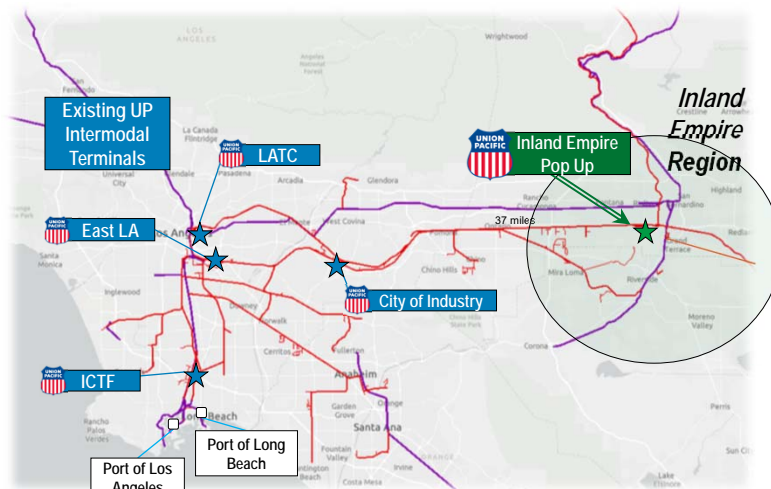

24

Inland Empire Intermodal Terminal

Expanding Our Footprint to Capture New Markets

- 2 million imports (in cargo capacity units) trucked annually to Inland Empire
- Estimated ~15 million truckloads of long and short haul freight
- Inland Empire Intermodal Terminal is within 10 miles radius of most industrial warehousing

OPERATIONS OVERVIEW

August 2021

Safety – Foundation of Operational Excellence

- Ever Evolving
- Empower Teams
- Using Technology

Key Performance Metrics

Year to Date Drivers

Executing PSR Principles

Supply Chain Disruptions

Weather / Fire / Incidents

31 *Prior years have been realigned to conform to the current year presentation.

YEAR TO DATE

Key Performance Metrics

LOCOMOTIVE PRODUCTIVITY
(GTM's Per HP Day)

WORKFORCE PRODUCTIVITY
(Daily Miles per FTE)

TRAIN LENGTH
(Max on Route, in Feet)

Year to Date Drivers

Efficient Locomotive Fleet

Leveraged Workforce With Volume

Optimizing Transportation Plans

32

Lean Locomotive Fleet – Ready for Growth

- Result of using the locomotive fleet more efficiently
- Second quarter GTMs per horsepower day increased 3% compared to second quarter 2020
- Driven by less units, increased train length and reduced dwell

33

Employee Force Levels

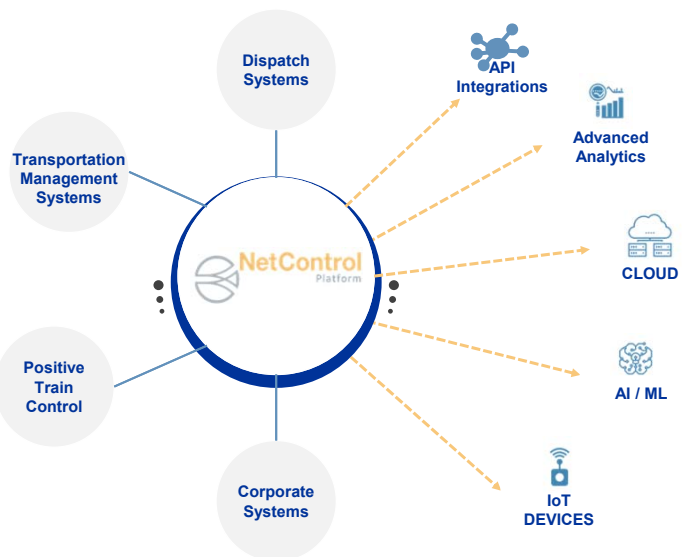

- Significant reduction in FTEs
- Lowest number of FTEs in the last 15 years
- Driven by asset utilization and process improvements

Foundational Platform Enabling a Connected Future

- Connects Operational Systems
- Enables Smart Capabilities
- Provides Frictionless Integrations
- Delivers Ability to Evolve with Business

Mobile Work Order

- Improve Reporting
- Enables Direct Communication with Customer
- More Efficient and Employee-Friendly Processes

36

Terminal Planner & Precision Train Builder

- Optimizes Terminal Connections and Train Profiles
- Creates Terminal Capacity
- Enables More Efficient Operation
- Improves Customer Experience

37

Mechanical Technology

Trending Performance & Component Replacement

- Hot Box / Wheel Journal
- Hot Wheel
- Flat Wheel

Reduces Online Failure
Variability & Associated Costs

38

Engineering Technology – Rail Sensor

Improving Reliability, Performance and Efficiency

Geometry Car

Boxcar

39

Wood Tie Unloading Automation

- Simplify Process
- Reduce Touch Points
- Reduce Cost

40

Tie Plate Distribution Automation

41

Technology Driving Intermodal Excellence

- Systems integration with customers enables better planning and service priority
- Greater intermodal ramp capacity through technology and processes
- Gate automation improves railroad and dray carrier productivity
- Real-time ramp inventory and load planning tools increase train utilization
- New visibility tools empower intermodal managers

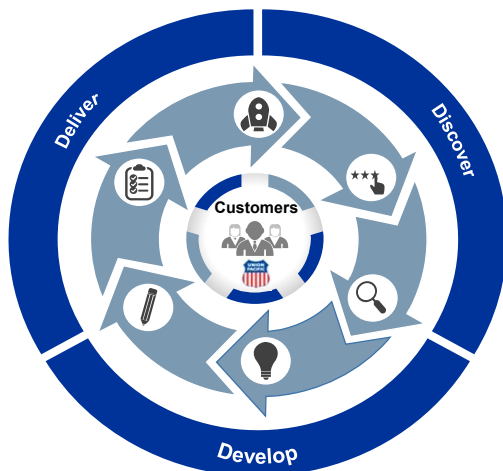

42

Working Differently to Deliver for Our Customers

Continuous Customer Experience Delivery Loop

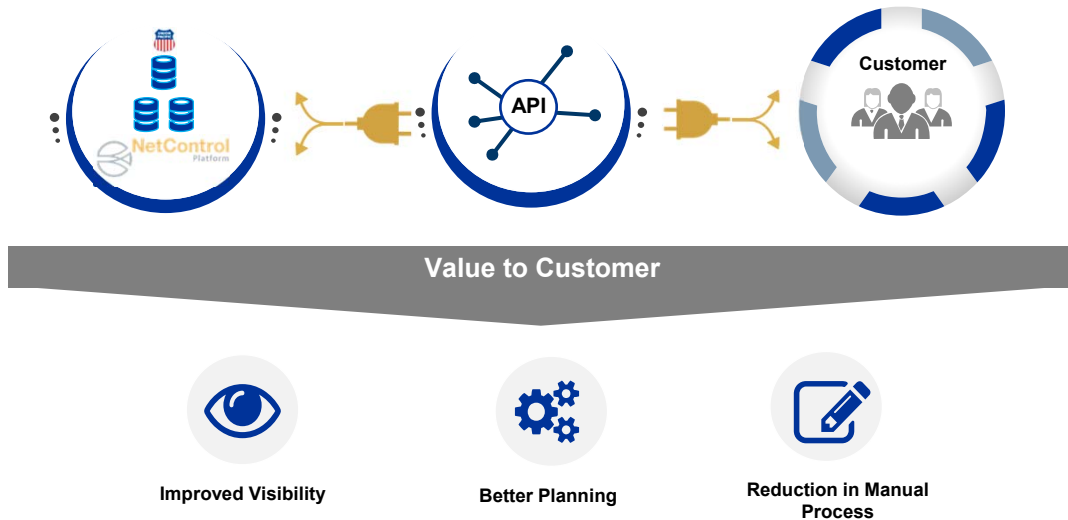

- Driven by Voice of the Customer
- Delivered in Agile Manner with Speed
- Reducing Friction and Improving Experience

43

Driving Customer Value with Data Integration

44

Improving the Customer Experience Through APIs

- Developed close to 40 integration services for customers based on their needs
- Real-time access to data between applications and devices
- Streamline and automate workflows
- Enables customer to take action on their shipments from their interfaces
- Expands visibility into the supply chain

Shipment
Learn about your shipment(s) including their locations, events, product, status and ETA

Location/Tracks
Display information about tracks at your facility

Order In
Request rail car if you are an *Order In* customer

Release
Identify rail cars to be released to/from an industry track

Equipment
Display details and characteristics of specific equipment IDs

Cases (Service Issues)
Retrieve case (service issue) status, details and responses

Gate Reservation
Provides intermodal specific services, like create and view gate reservations

Accounts/Contacts
Retrieve information associated with your business(s) and people

UPGo - Intermodal
Provides intermodal driver services to expedite the intermodal terminal experience

45

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE

Building a Sustainable Future 2030

Investing in Our Workforce

Diversity & Inclusion
Talent Attraction, Development, and Retention

Driving Sustainable Solutions

Improved Customer Service
Profitable and Responsible Growth

Championing Environmental Stewardship

Sustainable Transportation for Our Customers

Strengthening Our Communities

Investments Where We Work and Live

Sustainability Development Goals

Union Pacific has a role to play in all of the UN's Sustainability Goals, with a focus on these seven:

-  Quality education
-  Gender equality
-  Decent work and economic growth
-  Industry, innovation and infrastructure
-  Reduced inequalities
-  Sustainable cities and communities
-  Responsible consumption and production

Four Pillars of Diversity & Inclusion

Diversity & Inclusion – Pillar 1: People

Female = 100% Improvement
(Goal compared to 2019 at 5.5%)

Minorities = 36% Improvement
(Goal compared to 2019 at 29.4%)

Expanding Educational Opportunities

- Innovative partnership with the University of Nebraska at Omaha
- Reimburse employees 100% of tuition* for classes to earn an undergraduate or graduate degree, or a certification program directly related to the employee's job

Moving Environmentally Responsible Products

52

Protecting the Environment

- We move one ton of freight 444 miles on a single gallon of diesel fuel
- Rail moves 33% of all freight ton miles in U.S. but responsible for 2% of transportation emissions*
- Committed to setting science-based targets to reduce emissions by 2030
- Innovative locomotive software to help save fuel installed on the majority of high-horsepower units

LESS FUEL = CLEANER AIR

53

Reducing the Impact on the Environment

In 2020

- Union Pacific reduced greenhouse gas (GHG) emissions by 1.2M metric tons or 12% due to economic effects of the COVID-19 pandemic, combined with increases in operational efficiency and modernization of locomotives
- Our customers eliminated an estimated 21.9 million metric tons of GHG emissions by choosing rail over truck transportation

A screenshot of a web form titled 'Carbon Emissions Estimator'. It includes fields for 'Origin City, State:', 'Destination City, State:', 'Commodity:' (with a dropdown menu), and 'Number of Truckloads:'. There are 'Clear' and 'Submit' buttons. A green leaf graphic is overlaid on the right side of the form.

*"If just 10% of the freight shipped in the largest trucks went by rail instead, we would be removing 3,300,000 cars from the road."
- President Joe Biden*

- Carbon Emissions Estimator
 - Calculate GHG emissions savings
 - Sending emissions savings estimate to customers since 2013

Innovations Conserve Fuel

Science-based target to reduce GHG emissions by 26% by 2030*

*Against a 2018 baseline

Growth in Diverse Supplier Spending

Strengthening Our Communities

\$6.4M Community Spaces

- 200 Community buildings constructed or enhanced.
- 1,600 Green spaces created or enhanced.
- 400 Public spaces cleaned.

\$4.1M Workforce Development

- 38,000 Trained in job skills.
- 9,800 Job placements.
- 1.1M Hours of career-related classroom training provided.

\$3.5M Safety

- 112,000 Trained in safety procedures.
- 23,000 Hours of safety training.
- 4,300 Emergency services equipment procured.

\$9.4M Local Community Support

- Corporate Sponsorships, Memberships and local needs grants.

\$3.3M Matching Gifts

- GivePlus and Fund for Effective Government (FEG)

FINANCIAL REVIEW

August 2021

Stronger 2021 Guidance

Stronger

- Full Year Volume Growth of 7%
- 200 Basis Points of Operating Ratio Improvement
- Strong Free Cash Flow Generation Supporting Greater Share Repurchases
 - Targeting ~\$7 Billion in 2021

Affirmed

- Pricing Gains in Excess of Inflation Dollars
- \$500 Million of Productivity
- Capital Spending < 15% of Revenue
- Dividend Target Payout ~45% of Earnings

Delivering Significant Shareholder Returns
