E-mail: ldretired@live.com

"Continuing Communications" - getting the word out to new areas for expansion of our clubs was indeed accomplished this year with the addition of a new club being established at Roseville, California. The club president Raj Randhawa was installed at our convention in August at Sparks, Nevada.

Enclosed please find the Union Pacific Employee Clubs Annual Report for the reporting year of May 1, 2010 through April 30, 2011.

The Executive Committee would like to thank all of the club members for making our Union Pacific Employee Clubs 87th Annual Convention this past August 2011 a big success. We would also like to thank the individual Service Units, all departments, and all the clubs that donated the items for Auction Night. Your generous donations and the bids brought in \$7,200.00. This money was equally divided among three charities: Union Pacific Employee Clubs Friend to Friend Network, the Veteran's Guest House and the Community Outreach of Sparks/Reno.

Our guest speakers for the Awards Luncheon and Banquet Night were John Parker, Manager Maintenance Operations and Jack Koraleski, Executive Vice President Marketing and Sales for the Union Pacific Railroad Company. We thank them both for taking time out of their busy schedules to give us such outstanding presentations. They both gave very impressive and informative speeches.

At our Awards Luncheon, six awards were given for the best poster, bulletin, or newsletter. The MAC Award is for the best computer-generated poster. The LBA Award is for the best hand-drawn poster.

On Banquet Night there were forty-one awards presented to the clubs. Our Charity and Community Services were truly outstanding this year. The combined totals of hours, miles driven, labor, and monies spent amounted to a grand total of \$2,360,152.18 for the Community Service performed by all clubs. Total Charity donations came to \$247,933.93. Our Operation Lifesaver figures were also quite impressive. Total number of presentations/booths was 2,845 while the total audience reached was 232,418 people.

Congratulations to all the winners. Thank you for allowing me to serve you this past year. It has truly been an honor to have served as Chairman. All the hard work and time volunteered by all our club members continues to make our conventions very successful. Thank you all for a great year!

Sincerely,

Larry Goodridge
Chairman
