Overnite, through its subsidiaries Overnite Transportation Company and Motor Cargo Industries, is one of the largest less-than-truckload carriers in the United States with 208 service centers and a fleet of over 6,000 tractors and over 22,000 trailers, providing full state coverage to all 50 states. Its predominantly non-union workforce of over 14,500 employees provides customers with direct access to over 45,000 cities in the United States, Canada, Puerto Rico, Guam, the U.S. Virgin Islands and Mexico.

Union Pacific Corporation is one of America's leading transportation companies. Its principal operating company, Union Pacific Railroad, is the largest railroad in North America, covering 23 states across the western two-thirds of

the United States. A strong focus on quality and a strategically advantageous route structure enable the company to serve customers in critical and fast growing markets. It is a leading carrier of low-sulfur coal used in electrical power generation and has broad coverage of the large chemical-producing areas along the Gulf Coast. With competitive long-haul routes between all major West Coast ports and eastern gateways, and as the only railroad to serve all six gateways to Mexico, Union Pacific has the premier rail franchise in North America.

Overnite's contact for investors is Paul Hoelting at (804) 231-8455 and the media contact is Ira Rosenfeld at (804) 291-5362. Union Pacific's investor contact is Jennifer Hamann at (402) 271-4227 and the media contact is Kathryn Blackwell at (402) 271-3753.

This press release contains forward-looking statements within the meaning of the federal securities laws. Forward-looking information is based on information available at the time and/or management's good faith belief with respect to future events and is subject to risks and uncertainties that could cause actual results to differ materially from those expressed in the statements due to, among other factors, changes in global, political, economic, business, competitive, market and regulatory factors. More detailed information about such factors is contained in filings made with the Securities and Exchange Commission by Union Pacific Corporation and Overnite.
