Advisory Committee
Company Administrator

Another convention is behind us. Congratulations to all the award winners. I truly appreciate all the hard work and time that goes into the various projects of community service, charity, OL, newsletters, and the local membership drives. All your combined efforts prove how much pride we all have in our clubs. It also shows how our traditions have served us well by competing with each other to improve our numbers each year. It is in keeping with the history of the Clubs and benefits everyone involved. Thanks to the Executive Committee and Executive Task Committee who put in many hours to make sure our convention was a huge success.

We may have been a small convention but we really blew the lid off of auction night by raising **\$12,530 for charity. This was an all-time record for auction night.** Thank you, everyone. Let's try to beat this number next year! **That makes our total charity \$209,419 with a per capita charity of \$32.47.**

Our membership increased this year by 205 members. Great job! We all need to continue to recruit members for our clubs, whether they are old members renewing their memberships or new employees joining for the first time.

The Annual Report for 2011-2012 is enclosed along with the minutes of the Business Meeting and the Awards Luncheon and Banquet, August 7-10, 2012.

We all should be striving to uphold our traditions, preserve the history of the Clubs, and to embrace the future to insure that any changes that are made represent the best interest of everyone concerned. Our honest effort to uphold the oaths we all took for either local club officers or the executive committee is the best legacy we can leave to those who follow.

I would like to express my gratitude to the overwhelming majority of the delegation who supported the common sense decision to return to the 2006 bylaws. That was the fairest thing to do for our organization as a whole.

If you have any questions or concerns, please contact me. Good luck to you all.

Yours truly,

Skip Reed
